## MEET THE EXPERTS OF THE FUTURE ...TODAY!

Conduct job interviews, network with people in the aerospace industry and even hire new talent at ILA! From May 15–17, 2020, ILA together with the ILA CareerCenter will offer young professionals the opportunity to meet with interested companies and institutions in the aerospace industry.

There will be plenty of opportunities to share workplace insights on over 2,000 m<sup>2</sup> at the exhibition. Onsite, there will be the chance to discuss career opportunities in a relaxed setting.

The ILA CareerCenter will also support your presence with diverse events and an exciting program. From on-site interviews and open forums, to open round table discussions, networking events, a job wall and much more!

## ON THE LOOKOUT FOR NEW TALENT?

- Benefit from the appeal and unique density of companies and institutions in the aerospace industry found in German-speaking countries
- Present your vacancies effectively – online and in person
- Get in touch with the young STEM specialists of today – the experts of tomorrow
- Book your stand now to take advantage of our diverse range of available booths to showcase your company in the best way possible at the ILA CareerCenter

## INVEST IN THE FUTURE WITH THE RIGHT CANDIDATES

- Attractive packages including stand space and additional services
- University Forum: An exclusive offer for universities, colleges and research institutes
- BDLI Career Workshop: Show off unusual exhibits and offer hands-on activities around the aerospace profession
- Co-exhibitors are free-of-charge
- And plenty of space for your own ideas! Contact us now to find out more.

| • Bundespolizei           | • MBDA                            | • SIM4u                                 |
| • EASA                    |                                   | • Wirtschaftsförderung Land Brandenburg |

## FEEDBACK

*"The ILA CareerCenter brings together employers and future employees. For Otto Fuchs, ILA and the ILA CareerCenter are invaluable. Engineers are in higher demand than ever before. This networking platform gives us the opportunity to get in touch directly with potential candidates."*

Carla Eickhoff  
HR OTTO FUCHS KG

Dr. Volker Kratzenberg-Annies  
DLR Board Representative for Youth Promotion

*"The dream of flying, the exploration of the universe – this excites young people today. Despite all of the fascination, it is often less known that there is a multitude of exciting careers in the aerospace industry. This is exactly what we want to demonstrate at the ILA CareerCenter."*
