

Prices and fees ILA 2022

ILA Berlin, 22 – 26 June 2022

Berlin ExpoCenter Airport

Annex to the Special Conditions of Participation for the ILA 2022

1. Rental prices / participation prices and fees for ancillary and additional services

1.a Basic information on the halls, outdoor areas and chalets

The participation fees owed for participating in the event consist of the rental fee for stand space in the halls, outdoor area and chalets, the AUMA fee and the ILA Online Package. The prices and fees for the event-related services and products are listed in the BECO Webshop.

The rental price for hall and outdoor area as well as chalets includes the energy flat rate, the general infrastructure and the hall/area inspection. The electricity and water connection must be ordered by the exhibitor as an additional service in the BECO Webshop.

Each square meter or part thereof shall be charged in full.

In accordance with the regulations of the Association of the German Trade Fair Industry (AUMA), an amount of 0.60 EUR/m² („AUMA fee“) will be charged. www.auma.de/de

The mandatory ILA Online Package includes the presentation of the main and co-exhibitor on the ILA Online Platform. The costs are compulsorily charged by the main exhibitor in the form of a separate flat rate and they are only reimbursed if the online event is cancelled, and will not be reimbursed in the event of any cancellation of the onsite event.

In the case of multiple orders of exhibition space and more than one aircraft, the ILA Online Package is charged once only for the highest value package.

Each main exhibitor will receive codes for free exhibitor passes in accordance with § 17, 17.3 of the Special Conditions of Participation for the ILA 2022, unless otherwise stated in the registration portal.

All prices are subject to the statutory value added tax.

EARLY BIRD BOOKING: 5% discount on stand rental (halls, outdoor area and chalets) for registrations received via the registration portal up to and including 30 November 2021.
