

Visitor service – everything you need to know about ILA Berlin 2022

Berlin, 14 June 2022 – The countdown to ILA Berlin is on – after a two-year break and four years in all since ILA last took place live, from 22 to 26 June aerospace experts and aviation fans are gathering again on the ILA grounds next to the capital's airport BER.

Below is a list of everything you need to know for your visit to ILA Berlin:

- **Tickets**

This year, tickets are only available from the [online ticket shop](#). Trade visitors can also use their ticket to access the new [virtual platform of ILA](#). Note: ILA dates are divided into trade visitor days (22 – 24 June) and open days for the public (25 – 26 June). On the open days, admission for children under the age of six accompanied by parents is free, with no ticket required. We recommend bringing noise reduction headphones for smaller children. For older children the reduced-rate ticket price for the public applies.

Children will not be admitted on the trade visitor days. Trade visitors must be aged 18 or over. Please note that admission numbers are limited on all days of the event.

- **Opening times**

ILA Berlin is open daily from 10 a.m. to 6 p.m.

- **Map of the grounds**

You can find a map of the grounds at ILA 2022 [here](#). Access to the ILA grounds is via the east or west entrance. Hall 6, whose topic is SPACE, is next to the west entrance. In Hall 3a, directly opposite, the topic is AVIATION, and in Hall 3b next to it the topic is DEFENCE and SUPPORT. Hall 1, where the topic is SUPPLIERS, is next to the east entrance. The ILA Plaza, an outdoor exhibition area, extends between the halls. As in previous years, the AIRCRAFT EXHIBITION AREA featuring various aircraft is on the runway at BER.

- **How to get there**

You can find an overview of ways to get to ILA Berlin [here](#).

We recommend using public transport to ILA (fare zones A/B/C), particularly on the open days for the public, as car parking space is limited. You can take the S9 and S45 (S-Bahn) lines to Waßmannsdorf, from where there is a free bus shuttle to the ILA grounds. The U7 (U-Bahn) line takes you to Rudow, from where there is also a free bus shuttle to the ILA grounds. The bus services operate daily from 22 to 26 June between 8.30 a.m. and 7 p.m.

- **Online platform of ILA**

Even if there is no substitute for the advantages an in-person show offers, a new virtual platform for trade visitors is augmenting ILA Berlin: [ILA Digital](#) gives you the opportunity to meet exhibitors at ILA Berlin, network with them and preview the wide-ranging programme at the event.
